#### 1. About Us: Who is IRES?

The **Islamic Restoration Society - IRES** is a Canadian charitable non-profit organization dedicated to strengthening our communities by preventing crime and fostering successful reintegration. We address the root cause of crime and recidivism: **broken connections**.

Our work is centered on restoring the vital bonds between individuals and their faith, family, and community. We believe that by nurturing these connections, we can empower people to reach their God-given potential and become esteemed, contributing members of society.

---

#### 2. Our Vision & Mission

**Our Vision** We envision a compassionate and harmonious society where every individual, regardless of their past, is empowered to achieve their full potential. We see a future where broken bonds are mended and those on the margins are embraced by a supportive community to live with purpose, dignity, and faith.

**Our Mission** To reduce crime and its negative impact on society by reconnecting Muslims with their community, heritage, and the guiding principles of their faith. Through education, mentorship, and compassionate support, we empower at-risk youth and incarcerated individuals to rebuild their lives.

---

#### 3. Our Continuum of Care: What We Do

We achieve our mission through a multi-faceted approach focused on three critical areas:

- **Youth Outreach & Crime Prevention:** We engage with young people to foster personal growth, resilience, and a strong sense of identity, preventing them from heading down a path toward criminal activity.
- **Islamic Prison Dawah (Ministry):** We work within correctional facilities to provide guidance, education, and a pathway to redemption and change for incarcerated individuals.
- **Reintegration – Post Release Support:** We provide comprehensive support after an individual's release to ensure they have a stable foundation to successfully and permanently rejoin society.

## 4. Community Partnership Program (Non-Profit Organizations)

IRES believes in the African proverb: *"A child who is not embraced by the village will burn it down to feel its warmth."* We invite fellow non-profits to be part of our "village."

### Partnership is Free of Charge, with a Commitment:

- **The Benefit:** We provide you with one (1) display table and two (2) chairs at the event. We will officially recognize your organization as a partner and produce a poster featuring your logo to be displayed and shared digitally. Your logo will also be displayed on our website.
  - **The Commitment:** We ask partners to help us spread the message and commit to **filling at least one table of 8 guests**.
  - **Event Access:** Each attendee from your organization (including staff/volunteers) is to provide a **\$50 tax-deductible charitable donation** to receive their event pass.
  - **Logistics:** Partners must provide their own high-resolution logo. Also if they choose to have a booth to meet with attendees, they need to bring their tablecloth, and signages.
- 

## 5. Our Guiding Principles

Our partners stand with an organization that is:

- **Faith-Inspired:** Guided by Islamic teachings of mercy and the limitless potential within every human.
  - **Collaborative:** Acting as a neutral mediator between inmates, families, law enforcement, and community stakeholders.
  - **Focused and Non-Political:** We firmly reject radicalism, extremism, and violence. We focus exclusively on our social mission within Canada.
  - **Respectful:** We adhere to the principle of "No compulsion in religion," representing Islam through action and compassion.
-
